If photos are taken of participants in a class, during a special event or at the city's parks, they are for park and recreation usage only and may be used in the park's brochures, flyers or on the parks and recreation web site.

### Am I a City-Resident or Non-Resident?

Greenwood city-residents, through city property taxes, contribute substantially to support facilities and programs offered by the Greenwood Parks & Recreation Department. Non-residents are asked to pay an additional amount so they contribute equally with city residents. We appreciate non-residents understanding this situation. A Greenwood city-resident is anyone who lives or owns property within the proper city limits of Greenwood.

### Proof of City Residency

A Greenwood city-resident must have a current utility bill and a valid driver's license as proof of residency in order to be charged the resident rate. All persons without proper identification will be charged the non-resident rate until proper proof of residency can be established.

### Shelter & Gazebo Reservations

Greenwood city-residents may reserve shelters & gazebos at the Parks & Recreation Administrative Offices located inside the Greenwood Community Center, 100 Surina Way. Payment is due at time of reservation. Reservations are made on a first-come, first-serve basis. 2007 Shelter fees are \$40 and Gazebo fees are \$30. Reservations for 2007 begin on Tuesday, January 2 at 8:00 a.m.

### Accessibility

Greenwood Parks and Recreation Department intends that all meetings, programs and facilities be accessible to all members of the community, including those with special needs. If anyone requires special accommodations to attend or participate in a department activity, he or she may call the park administrative offices at least 48 hours prior to the special need.
